1. This Application is made in accordance with the Monthly Compensation Order. Locke Lord has incurred fees of \$105,898.04 during the Tenth Interim Application Period. Summaries reflecting the incurrence of fees and expenses are annexed hereto as follows:

Exhibit A is a list of all open matters;

Exhibit B are summaries of the total fees and expenses for all open matters and for each individual matter from October 1, 2011 through March 6, 2012;

Exhibit C is a detailed description of the services rendered on behalf of the Debtors, including the actual time recorded, the date services were rendered, and the names and rates of the professionals performing the services, for all open matters from October 1, 2011 through March 6, 2012;

Exhibit D is a detailed description of the expenses Locke Lord has incurred on behalf of the Debtors from October 1, 2011 through March 6, 2012;

Exhibit E are true and correct copies of invoices of expenses in amounts over \$1,000 for services rendered on behalf of the Debtors from October 1, 2011 through March 6, 2012.

2. Assuming no objections are interposed to Locke Lord's monthly fee statements, it would be entitled to be paid \$105,898.04 in fees, and \$36,560.39 in expenses under the Monthly Compensation Order. Assuming Locke Lord is paid 80% of all fees and 100% of all expenses incurred during the Tenth Interim Application Period through the monthly compensation procedure, the outstanding balance due to Locke Lord on account of the monthly invoices for that period will be \$21,179.61 (the "Tenth Interim Holdback").

Background

3. Commencing on September 15, 2008 and periodically thereafter (as applicable, the "Commencement Date"), LBHI and certain of its subsidiaries commenced with this Court

voluntary cases under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). The Debtors' chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

4. On September 17, 2008, the United States Trustee for the Southern District of New York (the "U.S. Trustee") appointed the statutory committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code (the "Creditors Committee").

5. On September 19, 2008, a proceeding was commenced under the Securities Investor Protection Act of 1970 ("SIPA") with respect to Lehman Brothers Inc. ("LBI"). A trustee appointed under SIPA is administering LBI's estate.

6. By order dated March 23, 2011 (Docket No. 15720), Locke Lord was retained by the Debtors as special counsel, effective *nunc pro tunc* to July 1, 2010, to prosecute loss recovery litigation and/or pre-filing settlement negotiations against sellers of defective mortgage loans on the secondary market to an affiliate of LBHI and ancillary matters arising in such lawsuits. A copy of the Order Authorizing Employment and Retention of Locke Lord as Special Counsel is annexed hereto as **Exhibit F**.

7. On September 1, 2011, the Debtors filed a third amended joint chapter 11 plan (the "Plan") and disclosure statement (the "Disclosure Statement") (Docket Nos. 19627 and 19629). On September 1, 2011, the Court entered an amended order (Docket No. 19631) approving the Disclosure Statement, establishing solicitation and voting procedures in connection with the Plan, scheduling the confirmation hearing and establishing notice and

objection procedures for the confirmation hearing. On September 15, 2011, the Court entered an order (Docket No. 20016) approving a modification to the Disclosure Statement.

8. This Court has subject matter jurisdiction to consider and determine this matter pursuant to 28 U.S.C. § 1334, and the Order of Reference of the United States District Court for the Southern District of New York, dated July 10, 1984 (Ward, Acting C.J.). This Court is the proper venue for this proceeding in accordance with 28 U.S.C. § 1409.

The Application

9. This Application is made pursuant to 11 U.S.C. §§105, 330 and 331 and the Monthly Compensation Order, a copy of which is annexed hereto as **Exhibit G**.

10. Locke Lord is a full-service, national law firm with approximately 650 attorneys, that, in this matter, prosecutes loss recovery litigation and/or pre-filing settlement negotiations against sellers of defective mortgage loans on the secondary market to an affiliate of LBHI and ancillary matters arising in such lawsuits. Locke Lord has extensive knowledge and experience with these kinds of matters and has represented the Debtors and their affiliates in these types of matters for several years. In addition, Locke Lord's litigation professionals frequently represent individuals and business entities in a wide range of litigation matters, including government investigations and proceedings.

11. Locke Lord has represented LBHI, directly or through its subsidiary Aurora Loan Services, LLC, since 2006 in loss recovery litigation. During that time, Locke Lord has represented LBHI or its affiliates in state and federal court litigation in several states. Over the course of its representation of the Debtors and their affiliates, Locke Lord has become familiar with the relevant business personnel and operations, as well as the legal matters described in this Application.

12. Locke Lord has annexed to this Application, as incorporated in **Exhibit A**, a list of all open matters. Locke Lord has annexed to this Application, as incorporated in **Exhibit B**, summaries of the total fees and expenses for all open matters and for each individual matter during the Tenth Interim Application Period. Pursuant to the Fee Committee Billing Guidelines and as reflected in the "Adjusted Fees" column of **Exhibit B**, the total fees incurred by Debtor include a 50% reduction for non-working travel time and the fees for reviewing and/or editing time entries, monthly invoices, and fee applications have also been adjusted to not exceed 1% of the fees sought during the Tenth Monthly Interim Application Period (the "Adjustments").¹ Locke Lord has annexed to this Application, as incorporated in **Exhibit C**, a detailed description of the services rendered on behalf of the Debtors, including the actual time recorded, the date services were rendered and the names and rates of the professionals performing the services during the Tenth Interim Application Period. The rate for each of the individuals referred to above is equal to the billing rate for such individual's time, inclusive of a 7% discount that Locke Lord gives to the Debtors, for similar services rendered to clients in connection with non-bankruptcy matters. Locke Lord believes that these rates, as well as its standard rates exclusive of the 7% discount it gives to the Debtors, constitute market rates and are equal to or less than the rates charged by professionals with similar experience. Locke Lord has annexed to this Application, as incorporated in **Exhibit D**, a detailed print-out of the expenses Locke Lord has necessarily incurred on behalf of the Debtors during the Tenth Interim Application Period. Locke Lord has annexed to this Application, as incorporated in **Exhibit E**, true and correct copies of invoices of expenses in amounts over \$1,000 for services rendered on behalf of the Debtors during the Tenth Interim Application Period.

¹ The 50% reduction in fees for non-working travel time was made prior to calculating the reduction in fees for reviewing and/or editing time entries, monthly invoices, and fee applications.

Professional Services Rendered

13. To date in this case, Locke Lord has been asked to assist the Debtors in mortgage loan-related litigation. Specifically, Locke Lord has researched, prepared, filed, litigated, and/or settled cases on behalf of the Debtors against sellers of defective mortgage loans on the secondary mortgage market to an affiliate of LBHI.

14. Locke Lord regularly maintains records of time expended in the rendition of all professional services and records of costs and expenses incurred on behalf of the Debtors. These records were made substantially concurrent with the rendition of the professional services. All such records are available for inspection. A copy of the time records, in chronological order and segregated by individual matter, relating to Locke Lord's representation of the Debtors during the Tenth Monthly Application Period, is annexed hereto as **Exhibit C.**²

15. The foregoing services performed by Locke Lord were necessary and appropriate to the effective and efficient administration of the secondary market litigation. The professional services performed by Locke Lord were in the best interests of the Debtors, their creditors, and other parties in interest and were provided without unnecessary duplication of effort or expense. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, or tasks involved. The professional services were performed with expedition and in an efficient manner.

16. The professional services performed by Locke Lord's partners, associates, and paraprofessionals on behalf of the Debtors during the Tenth Monthly Application Period required an aggregate expenditure of approximately 548.70 worked hours resulting in \$154,825.57 in worked fees. Taking into consideration Locke Lord's customary practice of reducing and/or

removing certain time entries from the Debtors' invoices (which are not reflected in **Exhibits B, C, and D**), the professional services performed by Locke Lord on behalf of the Debtors during the Tenth Monthly Application Period resulted in an aggregate expenditure of approximately 372.30 billed hours totaling \$115,787.33 in billed fees, exclusive of the Adjustments. *See Exhibit B.* Of the aggregate billed time expended, 201.70 billed hours were expended by partners, 119.60 billed hours were expended by associates, and 51.00 billed hours were expended by paraprofessionals. *Id.* Taking into consideration the Adjustments, the total fees during the Tenth Monthly Application Period incurred by the Debtor for professional services performed by Locke Lord are \$105,898.04.

17. During the Tenth Monthly Application Period, Locke Lord's discounted hourly billing rates for attorneys ranged from \$199.95 to \$613.80 per hour. Allowance of compensation in the amount requested would result in a blended hourly rate for attorneys of approximately \$284.44 based on recorded hours at Locke Lord's discounted billing rates in effect at the time of the performance of services. As noted, annexed hereto as **Exhibit B** is a summary of each individual matter listing each Locke Lord professional and paraprofessional who performed services in these cases during the Tenth Monthly Application Period, the discounted hourly rate charged by Locke Lord for services performed by each individual, and the aggregate number of hours and charges by each such individual.

Actual and Necessary Disbursements of Locke Lord

18. As stated, annexed hereto as **Exhibit D** is a schedule of the actual and necessary expenses incurred by Locke Lord in connection with its representation of the Debtors. As set forth in **Exhibit D**, Locke Lord requests allowance of actual and necessary expenses incurred by

² The descriptions of the services rendered by Locke Lord in **Exhibit C** have been modified to conform with the Fee Committee Billing Guidelines where appropriate and therefore do not in all instances exactly match the descriptions

Locke Lord during the Tenth Monthly Application Period in the aggregate amount of \$36,560.39. Also annexed hereto as **Exhibit E** are invoices of expenses of amounts over \$1,000 for services rendered on behalf of the Debtors during the Tenth Monthly Application Period.

The Requested Compensation Should Be Allowed

19. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 to govern the Court's award of such compensation. 11 U.S.C. § 331. Section 330 provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including ---

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- (E) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

that Locke Lord attorneys and paraprofessionals entered into Locke Lord's timekeeping software.

20. In the instant cases, Locke Lord respectfully submits that the professional services and the expenditures for which it seeks reimbursement in this Application were, at the time rendered, believed to be necessary for and beneficial to the Debtors and their chapter 11 estates. Accordingly, Locke Lord further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Debtors, their estates, and all parties in interest.

Notice

21. Pursuant to the Monthly Compensation Order, notice of this Application will be served upon (i) Lehman Brothers Holdings Inc., 1271 Avenue of the Americas, 45th Floor, New York, New York 10020 (Attn: John Suckow and David Coles); (ii) Weil, Gotshal & Manges, LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Shai Y. In addition to being served with a paper copy, the Office of the United States Trustee, Richard Gitlin through Godfrey & Kahn, and Lehman Brothers Holdings Inc. are also being served with a disc containing an electronic version of this Application and its Exhibits.

22. All services for which compensation and reimbursement of expenses are requested by Locke Lord were performed for and on behalf of the Debtors. No agreement or understanding exists between Locke Lord and any other person for the sharing of compensation

to be received for the services rendered in connection with Locke Lord's representation of the Debtors, and no action prohibited by §504 of the Bankruptcy Code has been, or will be, made by Locke Lord.

23. No previous application or motion for the relief requested herein has been made to this or any other Court.

Conclusion

24. Based on the foregoing, Locke Lord respectfully submits that the services rendered in the instant case during the Tenth Interim Application Period have been efficient and effective. Locke Lord will continue to prosecute loss recovery litigation and/or pre-filing settlement negotiations against sellers of defective mortgage loans on the secondary market to an affiliate of LBHI and ancillary matters arising in such lawsuits. As previously stated, Locke Lord seeks (i) an award of fees in the amount of \$105,898.04 (inclusive of the Adjustments) and expenses of \$36,560.39, all incurred from October 1, 2011 through March 6, 2011; and (ii) authorization for the Debtors to pay those amounts.

WHEREFORE, Locke Lord respectfully requests that this Court enter an Order consistent with the relief requested herein for such other and further relief as the Court deems just and proper.

Respectfully submitted,

Upon the proposed amended order filed March 11, 2011 and April 6, 2011 (the "Fourth Amended Order") of Lehman Brothers Holdings Inc. and its affiliated debtors in the above-referenced chapter 11 cases, as debtors and debtors-in-possession (collectively, the "Debtors" and, together with their non-debtor affiliates, "Lehman"), pursuant to sections 105(a) and 331 of chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 2016(a) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), to establish procedures for interim monthly compensation and reimbursement of expenses of professionals (the "Professionals")—all as more fully described in the Debtors' Motion Pursuant to Sections 105(a) and 331 of the Bankruptcy Code and Bankruptcy Rule 2016(a) for Authorization to Establish Procedures for Interim Monthly Compensation and Reimbursement of Expenses of Professionals, dated October 11, 2008 (the "Motion") [Docket No. 833]—and upon the notice of presentment of the proposed Fourth Amended Order, and the Court having jurisdiction to consider the proposed Fourth Amended Order and the relief requested therein in accordance with 28 U.S.C. §§ 157 and 1334 and the Standing Order M-61 Referring to Bankruptcy Judges for the Southern District of New York Any and All Proceedings Under

ORDERED that the Third Amended Order is superseded in its entirety by this Fourth Amended Order; and it is further

ORDERED that except as may otherwise be provided in orders of the Court authorizing the retention of specific Professionals, all Professionals in these cases may seek monthly

compensation in accordance with the following procedures (the "Interim Compensation Procedures"):

- (a) On or before the forty-fifth (45th) day following the month for which compensation is sought, each professional seeking compensation, other than a professional retained as an ordinary course professional or a professional retained by the Examiner appointed in these Chapter 11 cases, will serve a monthly statement (the "Monthly Statement"), by hand or overnight delivery on (i) Lehman Brothers Holdings Inc., 1271 Avenue of the Americas, 45th Floor, New York, New York, 10020 (Attn: John Suckow and William Fox); (ii) Weil, Gotshal & Manges, LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Shai Y. Waisman, Esq.); (iii) Milbank, Tweed, Hadley & McCloy LLP, 1 Chase Manhattan Plaza, New York, New York 10005 (Attn: Dennis F. Dunne, Esq., Dennis O'Donnell, Esq., and Evan Fleck, Esq.), attorneys for the Creditors' Committee; (iv) the Office of the United States Trustee for the Southern District of New York, 33 Whitehall Street, 22nd Floor, New York, New York 10004 (Attn: Elisabetta G. Gasparini and Andrea B. Schwartz); and, (v) Richard Gitlin, Chair of the Fee Committee (as defined in the Order Appointing a Fee Committee and Approving a Fee Protocol, dated May 26, 2009 [Docket No. 3651], all as may be amended from time to time, the "Fee Protocol") c/o Godfrey & Kahn, S.C., One East Main Street, P.O. Box 2719, Madison, WI 53701-2719 (the "Notice Parties"). In addition to being served with a paper copy, the Office of the United States Trustee, Richard Gitlin through Godfrey & Kahn, and Lehman Brothers Holdings, Inc. shall also be served with a disc containing an electronic version of the Monthly Statement.
- (b) The Monthly Statement need not be filed with the Court and a courtesy copy need not be delivered to chambers since this Fourth Amended Order is not intended to alter the fee application requirements outlined in sections 330 and 331 of the Bankruptcy Code and since professionals are still required to serve and file interim and final applications for approval of fees and expenses in accordance with the relevant provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules for the United States Bankruptcy Court for the Southern District of New York (the "Local Rules").
- (c) Each Monthly Statement must contain a list of the individuals and their respective titles (e.g., attorney, paralegal, etc.) who provided services during the statement period, their respective billing rates, the aggregate hours spent by each individual, a reasonably detailed breakdown of the fees and expenses incurred (no professional should seek reimbursement of an expense that would otherwise not be allowed pursuant to the Court's Administrative Orders dated June 24, 1991 and April 21, 1995 or the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 dated January 30, 1996), and contemporaneously maintained time entries for each individual in increments of tenths (1/10) of an hour or as close thereto as practicable.

- (d) Each Notice Party shall have at least thirty (30) days after receiving the Monthly Statement to review the statement and, if the Notice Party objects to the compensation or expense reimbursement sought in a particular statement, such Notice Party shall, no later than the thirty-first (31st) day following receipt of the Monthly Statement (the "Monthly Statement Objection Deadline"), serve upon the professional to whose Monthly Statement the Notice Party objects and the other Notice Parties a written "Notice of Objection to Fee Statement," setting forth the nature of the Notice Party's objection and the amount of fees or expenses at issue.
- (e) At the expiration of the Monthly Statement Objection Deadline, the Debtors shall promptly pay eighty percent (80%) of the fees and one hundred percent (100%) of the expenses identified in each Monthly Statement to which no objection has been served in accordance with paragraph (d) above.
- (f) If the Debtors object or receive an objection to a particular Monthly Statement, the Debtors shall withhold payment of that portion of the Monthly Statement to which the objection is directed and promptly pay the remainder of the fees and disbursements in the percentages set forth in paragraph (e).
- (g) If the parties to an objection resolve their dispute following the service of a Notice of Objection to Fee Statement and if the party whose Monthly Statement was objected to serves on all Notice Parties a statement indicating that the objection is withdrawn or modified and describing the terms of the resolution, then the Debtors shall promptly pay, in accordance with paragraph (e), that portion of the Monthly Statement that is no longer subject to an objection.
- (h) All objections that the parties do not resolve shall be preserved and presented to the Court at the next interim or final fee application hearing to be heard by the Court in accordance with paragraph (j) below.
- (i) The service of an objection in accordance with paragraph (d) above shall not prejudice the objecting party's right to object to any fee application made to the Court in accordance with the Bankruptcy Code on any ground regardless of whether the objecting party raised the ground in the objection or not. Furthermore, the decision by any party not to object to a Monthly Statement shall not waive or prejudice that party's right to object to any fee application subsequently made to the Court in accordance with the Bankruptcy Code, including any final application.
- (j) Commencing with the period ending January 31, 2009, and at four-month intervals thereafter, each of the professionals shall file with the Court, in accordance with General Order M-242 (which can be found at www.nysb.uscourts.gov), an application (an "Interim Fee Application") for interim Court approval and allowance pursuant to sections 330 and 331 of the Bankruptcy Code (as the case may be) of the compensation and reimbursement of expenses requested in the fee statements served during such period (the "Interim

Fee Period"). Each professional shall file its Interim Fee Application within 75 days after the end of the Interim Fee Period for which the request seeks allowance of fees and reimbursement of expenses.¹ Each professional shall file its first Interim Fee Application on or before April 10, 2009 and the first Interim Fee Application shall cover the Interim Fee Period from the Commencement Date through and including January 31, 2009. All professionals not retained as of the Commencement Date shall file their first Monthly Statement for the period from the effective date of their retention through the end of the first full month following the effective date of their retention and otherwise in accordance with the procedures set forth in this Motion.

- (k) The Debtors' attorneys shall obtain a date from the Court for the hearing of fee applications for all retained professionals, which hearing date should be consistent with the timelines set forth in the Fee Protocol, as amended from time to time. Any retained professional unable to file its own fee application with the Court shall deliver to the Debtors' attorneys a fully executed copy with original signatures, along with service copies, three business days before the filing deadline. The Debtors' attorneys shall file and serve such application.
- (l) The pendency of an application or objection or a Court order that payment of compensation or reimbursement of expenses was improper as to a particular Monthly Statement shall not disqualify a professional from the future payment of compensation or reimbursement of expenses as set forth above, unless otherwise ordered by the Court.
- (m) Neither the payment of, nor the failure to pay, in whole or in part, monthly compensation and reimbursement as provided herein shall have any effect on this Court's interim or final allowance of compensation and reimbursement of expenses of any professionals.
- (n) Counsel for the Creditors' Committee may, in accordance with the Interim Compensation Procedures, collect and submit statements of expenses (excluding third-party counsel expenses of individual committee members), with supporting vouchers, from members of the Creditors' Committee; provided, however, that these reimbursement requests comply with this Court's Administrative Orders dated June 24, 1991 and April 21, 1995.
- (o) Any Professional that materially fails to comply with this Order shall (1) be ineligible to receive further monthly payments of fees or expenses as provided herein until further order of this Court and (2) may be required to disgorge any fees paid since retention or the last fee application, whichever is later.

And, it is further

¹ For the seventh interim fee period (October 1, 2010 through January 31, 2011), any Retained Professional may, but need not, take an additional forty-five (45) days to file its Interim Fee Application.

ORDERED that, in the event that an Ordinary Course Professional (as such term is defined in the Order Pursuant to Sections 105(1), 327, 328, and 330 of the Bankruptcy Code Authorizing the Debtors to Employ Professionals Utilized in the Ordinary Course of Business [Docket No. 1394] (the "OCP Order")) or a professional retained by the Examiner seeks more than \$150,000 per month and, as set forth in the OCP Order or the *Order Discharging Examiner and Granting Related Relief* [Docket No. 10169] (as applicable), files a fee application for the full amount of its fees and expenses for that month, then the Debtors' attorneys shall obtain a

date from the Court for the hearing of the fee application, which shall be scheduled no earlier than 30 days after the fee application is served on the Notice Parties; and it is further

ORDERED that that this Court shall retain jurisdiction to interpret and enforce this Order.
